## 欢迎辞 / Welcome message

## 欢迎辞 / Welcome message

### 尊敬的各位医学同道：

为推动我国儿科介入及妇产介入事业的发展，普及并规范血管瘤与血管畸形综合诊治，由广东省医学会、中华放射学分会介入专业委员会、中华医学会放射学分会儿科专业委员会、中国抗癌协会肿瘤介入专业委员会主办，中华放射学分会介入专委会妇儿介入组、中国抗癌协会肿瘤介入分会儿科介入专委会及广州市妇女儿童医疗中心介入&血管瘤科承办，《中华介入放射学电子杂志》《介入放射学杂志》编辑部协办，第七届中国儿科介入放射学学术大会暨第七次儿科介入诊断与治疗进展学习班，第一届中华妇产介入放射学学术大会，第七届全国血管瘤血管畸形综合诊治研讨会暨第十次血管瘤与血管畸形综合诊治进展学习班，第二届中国广州视网膜母细胞瘤论坛将于2017年9月5-9日在广州珠江宾馆举行。

### Dear friends:

In order to promote the development of pediatric and maternity intervention, popularize and standardize the comprehensive diagnosis and treatment of hemangioma and vascular anomalies, we are pleased to announce that the 7th Chinese Pediatric Interventional Radiology Annual Conference, the 1st Chinese Obstetrics & Gynecology Interventional Radiology Annual Conference, the 7th Chinese Hemangioma & Vascular Anomalies Workshop and the 2nd Chinese International Retinoblastoma Forum (Guangzhou) will be held on September 5th-9th 2017 at Zhu Jiang Hotel in Guangzhou, sponsored by the Guangdong Medical Association, Committee of Interventional Division of Radiology Branch of Chinese Medical Association, Committee of Pediatric Division of Radiology Branch of Chinese Medical Association and Committee of Oncology Intervention Branch of Chinese Anti-cancer Association, hosted by the Women and Children Intervention Group of Interventional Division of Radiology Branch of Chinese Medical Association, Committee of Pediatric Tumor Division of Oncology Intervention Branch of Chinese Anti-cancer Association and Guangzhou Women and Children's Medical Center, and co-organized by the Editorial Department of Chinese Journal of Radiology, China Interventional Radiology Electronic Journal, and Journal of Interventional Radiology.

本次会议以专家讲座、手术演示及病例讨论为主，届时将邀请国内外著名专家作专题讲座及手术演示，同时就国际、国内该领域的最新研究进展进行广泛交流。

The conference mainly consists of expert lectures, live case demo and medical case discussion. Many famous experts home and abroad will be invited for lectures and live case demo, and will have a wide range of exchanges on the latest international and domestic research updates in this field as well.

会议同期将举办国家级继续教育项目：《儿科介入诊断与治疗进展学习班》及《血管瘤与血管畸形综合诊治进展学习班》，参会代表将获得国家级类继续教育学分8分。

Simultaneously, a national-class continuing education project will be held, which is the "Hemangioma and vascular anomalies intensive course". The participants will be granted with 8 credits of the national class I continuing education.

组委会衷心期待您的参与和指导，诚挚欢迎您莅临广州，我们将以最大的热情和周到的服务，使本次大会成为融学术交流、继续教育为一体的高水平学术盛会。

We sincerely look forward to your arrival at Guangzhou for the participation of this meeting, and will present you with a grand event integrating academic exchanges and continuing education by our utmost enthusiasm and good service.

2017，美丽的广州，欢迎您！  
Welcome to Guangzhou!

## 大会主席 / Presidents

## 简要会议日程 / Conference Agenda

张 靖 教授

主任医师

### 张 靖 教授

主任医师，医学博士，博士研究生导师，广州市妇女儿童医疗中心医学影像部主任、介入血管瘤科主任、广州市医学重点人才，

中华医学会放射学分会介入专委会副主任委员、中华医学会放射学分会介入专委会妇儿介入学组组长，中国抗癌协会肿瘤介入分会儿童肿瘤专委会主任委员。

### Professor Zhang Jing

Chief physician, Doctor of medicine, Doctoral tutor, Director of medical and imaging department of Guangzhou Women and Children Medical Center, Director of Interventional Hemangioma&Vascular Anomalies Department, Guangzhou medical key talent. Vice Chairman of Committee of Pediatric Division of Radiology Branch of Chinese Medical Association, Director of Women and Children Intervention Group of Interventional Division of Radiology Branch of Chinese Medical Association, Chairman of Committee of Pediatric Tumor Division of Oncology Intervention Branch of Chinese Anti-cancer Association.

欧阳强 教授

主任医师

### 欧阳强 教授

主任医师，教授，硕士生导师，上海交通大学医学院附属新华医院放射介入科主任。

中华介入放射学委员、卫生部介入诊疗技术管理专业委员会专家、中国介入医学会常委、中国医师协会介入医师分会第一届委员会常委、全国医师定考介入医学专业第二届编委会委员、上海市介入学组委员、上海市介入质控中心专家。任本专业近十个杂志编委，是目前国内活跃在临床第一线的知名介入放射学学者。

### Professor Ouyang Qiang

Chief physician, Professor, Master tutor, Director of Interventional Radiology Department of the Affiliated Xinhua Hospital of Shanghai Jiaotong University.

Committee member of Chinese Society of Interventional Radiology, Expert of the Committee of Management of Interventional Diagnosis and Therapy Technology of the Ministry of Health, The standing committee member of the Chinese Interventional Medical Association, The first standing committee member of Intervention Physician Branch of Chinese Physician Association. The editorial board member of the Second Interventional Medicine Branch of the National Physician Examination Committee, Member of Shanghai Interventional Group, Expert of Shanghai Interventional Quality Control Center. He is the editorial board member of nearly ten magazines in the industry, and is a well-known interventional radiologist who is currently active in the clinical front.

赵军阳 教授

副主任医师

### 赵军阳 教授

副主任医师，北京儿童医院眼科副主任

中华医学会眼科分会斜视及小儿眼科学组委员，中国妇幼保健协会眼保健专业专家委员会委员。擅长儿童眼底病，尤其是视网膜母细胞瘤的治疗到达国际先进水平。

### Professor Zhao Junyang

Deputy chief physician, Deputy director of Beijing Children Hospital

Member of Strabismus and Pediatric Ophthalmology Group of Ophthalmic Branch of Chinese Medical Association. Member of Eye Care Committee of China Maternal and Child Health Association. He specializes in the treatment of pediatric ocular fundus diseases, particularly retinoblastoma, and has reached the advanced level internationally.
